Nearly 1,000 power boats and sailboats are based in the five Racine marinas that are accessible to Lake Michigan. Easy access and reasonable costs make Racine the port of choice for boat owners from throughout the region.

Those who trailer their boats are welcome to use the City of Racine's spacious public launch area, which includes ample parking.

Other boating opportunities are available on Racine County's inland lakes and on the Fox River.

Casting Call - Get hooked on our fishing

Whether it's pulling trophy Coho salmon, Chinook salmon or lake trout from a boat on Lake Michigan or leisurely trying for panfish from an inland lake, Racine County is a terrific destination for fishing enthusiasts.

- **Lake Michigan** – Of the more than 300 miles of its shoreline, the 25 miles in the Racine vicinity are a "sweet spot" for sport fishing that produce 38% of all fish caught on charter boats in the state of Wisconsin. A good way to try Lake Michigan fishing is through Fishing Charters of Racine, an association of 11 licensed charter captains. Visit www.great-lakes.org/wi/fish-racine.
- **Root River** – Winding through parts of Racine and Mount Pleasant, this river is renowned for fly fishing as large trout and salmon make their way upstream to spawn during the spring and fall.
- **Fox River** – Located in the western part of the county through parts of Waterford, Rochester and Burlington, this scenic stream holds walleye, bass, catfish and a variety of panfish.
- **Inland lakes** – While our great lake is the star of the fishing show, don't overlook Browns, Eagle and Wind lakes for walleye, bass and bluegill.

BEACH HAPPY

@EPIC VOLLEYBALL CLUB

A short walk from Downtown Racine and the marinas, North Beach, 100 Kewaunee St., is wildly popular among residents and visitors alike as THE place to catch some waves and rays in the summertime. Is this your first time at the shoreline? Here's what you need to know before you hit the beach.

A Blue Wave First

North Beach became the first Wisconsin beach to earn the Blue Wave Beach designation from the National Clean Beaches Council in 2004. Since then, it has made lots of national lists, including Top 5 Best Freshwater Beach (USA Today), Top 10 Family Friendly Beach (Parents magazine) and Top City Beach (Midwest Living magazine).

Amenities and Accessibility

You can enjoy a snack or beverage, and catch live music under the palm trees at the Beachside Oasis during the summer months. A community of volunteers built the adjacent Kids' Cove nautical-themed playground. A wheelchair-accessible walkway extends across the sand to the water's edge.

General Safety Rules

To keep the beach safe for everyone, North Beach has a few safety guidelines for patrons:

- Pets (excluding service animals) are not permitted on the beach.
- No motorboats, windsurfers or floating devices (i.e., water wings, inner tubes, rafts) are allowed in the protected swim area.
- Keep the lifeguard chairs, boats and rescue boards free from obstructions. With over 50 acres of beautifully groomed sand and water, and 2,500 feet of shoreline, there is plenty of sand to spread out!
- Motorized vehicles, alcoholic beverages (except within the Oasis area), glass containers and fire pits are not allowed on the beach.

For more information on lifeguard operating hours, daily water conditions and more details on North Beach, visit www.cityofracine.org.

URBAN SAFARI

See why everyone's zoo-ing it

The Racine Zoo, 2131 N. Main St., is a local treasure.

Located along Lake Michigan, just north of Downtown, the zoo cares for more than 100 different species of animals, including more than 50 endangered species. Visitors are invited to immerse themselves in numerous interactive exhibits like hand-feeding friendly birds in the aviary, walking among wallaroos and kangaroos in Walkabout Creek, and petting domestic animals from around the globe in the Barnyard Safari.

A trip to the zoo is an opportunity to observe lions, Amur tigers, black rhinos, Andean bears, wallaroos, orangutans, penguins, meerkats and more. Visitors may also hand-feed the Masai giraffes at the North Shore Bank Giraffe Encounter.

The 28-acre setting is packed with fun features including two playgrounds, the ZooChoo Express train, picnic areas and Max & Jenny's Jungle Grill. It's an easy walk for kids and seniors. The zoo hosts many special events throughout the year, including Egg-Stravaganza, the Animal Crackers Concert Series, the Classic Car, Truck and Bike Show, Boo at the Zoo, Roar and Pour, and others targeted to kids and adults.

The Racine Zoo and gift shop are open every day of the year (except Christmas Day). Admission rates are very reasonable and parking is free. For a complete listing of events and activities, visit www.racinezoo.org.

Making the Zoo Sensory Inclusive

In 2018, the Racine Zoo became Wisconsin's first zoo — and only the seventh institution accredited by the Association of Zoos and Aquariums — to receive certification as a Sensory Inclusive facility through a partnership with KultureCity.

The certification, which included extensive staff training, has better prepared the Zoo to assist guests with sensory sensitivities. These challenges are often experienced by individuals with autism, dementia, post-traumatic stress disorder (PTSD) and other similar conditions.

Sensory bags, equipped with noise-canceling headphones, fidget tools, verbal cue cards and weighted lap pads, are available at the entrance gate to all zoo guests who may find themselves overwhelmed by overstimulation and noise. The zoo also has designated headphone zones and quiet areas.

KultureCity is a leading non-profit recognized for using resources to revolutionize and effect change in the community for those with sensory needs. The organization has created sensory inclusive venues at events like the NFL Pro Bowl and the NFL Super Bowl, and at 26 sports stadiums.

WRIGHT OVER HERE

Historic architecture calls Racine County home

SC Johnson Administration Building – In 1936, third generation SC Johnson leader H.F. Johnson Jr. sought out the architect Frank Lloyd Wright to create an innovative headquarters building for the international consumer products company. The SC Johnson Administration Building, which opened in 1939, is celebrated as one of the top 25 buildings of the 20th century. Its Great Workroom, supported by a series of unique, concrete dendiform columns, is truly a work of art. The adjacent, 15-story Wright-designed Research Tower, opened in 1950, is constructed on the cantilever principle off a center core.

Also on the SC Johnson headquarters campus is the **Golden Rondelle Theater**, originally built as the company's pavilion for the 1964-65 New York World's Fair. Today, the building continues to function as a theater for both company and public events. Visitors to SC Johnson can arrange to view the Academy Award-winning film "To Be Alive!" and the documentary "Carnaúba: A Son's Memoir," which tells a remarkable story of family and adventure. The headquarters campus tour also includes **Fortaleza Hall**, which houses a replica of a Sikorsky S-38 amphibious aircraft, the SC Johnson Gallery: At Home with Frank Lloyd Wright, a Wright library and a gift shop. 1525 Howe St., Racine. Tours are free and open to the public. *For more information, visit www.scjohnson.com, 262-260-2154.*

Wingspread – H.F. Johnson Jr. commissioned Wright to build Wingspread, a 14,000-square-foot Prairie-style home, which was completed in 1939. The home was occupied by Johnson and his wife, Irene Purcell, and his two children, Karen and Sam. In 1959, the property was converted into a conference center, now known as The Johnson Foundation at Wingspread. 33 E. Four Mile Road, Wind Point. Tours are free and open to the public. *For more information, visit www.scjohnson.com, 262-260-2154.*

The DeKoven Center – This collection of beautifully preserved Gothic-style buildings originated as an Episcopalian college in the 1850s. Today, the property, overlooking Lake Michigan, hosts a variety of events, including retreats, classes and conferences. Its chapel and grounds are popular for weddings. 600 21st St., Racine. *Tour information: www.dekovencenter.org, 262-633-6401.*

DOG FRIENDLY LIVING

Racine County is Rover ready — from parks to play in, to hotels to stay in, we offer lots of ways to show your love for your furry family members.

Want to know where to toss that ball and let go of the leash? Check out the county's dog parks. **N. Owen Davies Dog Park** in the 1700 block of West Blvd., Racine; **Karen Nelson Memorial Dog Park**, 3533 Northwestern Ave., Mount Pleasant; **Johnson Dog Park**, 4649 WI-38 Trunk, Caledonia; **Jean M. Jacobson Dog Park**, 310 S. Rochester St., Burlington; and **Burlington Dog Park**, 480 Calumet St., Burlington.

Go fetch! When looking for toys, treats or any pet supplies, check out **Havahart Pets**, **Happy Trails Pet Supplies, LLC**, **Pet Supplies Plus**, **Avenue Pet Shop** or **Petland** in Racine. There's also **Petco** in Sturtevant as well as **Tractor Supply** and **Kegley's Show Supplies** in Burlington.

Fancy going out on the town and want Fido looking his or her bow-wow best? There are a vast array of groomers in the area to choose from. Once your pup has had his or her "trans-fur-mation" at the groomers, head out to **Freddie's Friki Tiki Bar** outside the **Corner House on the Lake** for a drink and some chow. Other pawsome places to grab a bite and drink without leaving your "furry child" at home are: **Reefpoint Brewhouse, O&H** (On Durand Ave.), **Wilson's Coffee & Tea**, **Gyros Express**, **Panera**, **Blue Bear**, **The Grind** and **Divino Gelato**. All locations are weather permitting as they are for outdoor seating only.

After your time on the town, you can let sleeping dogs lie in one of the many pet-friendly hotels/motels. **Burlington** has **AmericInn Lodge & Suites** and **Skyview Motel**. In Sturtevant you'll find **Quality**

Inn. **Waterford's Baymont Inn & Suites** welcomes you, and in the Mount Pleasant/Racine area, you can snooze with your pup at **America's Best Value Inn & Suites**, **Delta Hotel by Marriott**, **My Place Hotels** or **Super 8**. Or, if you prefer camping, **Cliffside Park** in Racine and **Jellystone** in Caledonia are fine options as well.

If you'd fancy your pooch have his or her own bed, consider the many comfortable kennels and doggie spas in the area. **Windy Knolls Kennels, LLC**, Franksville; **Bryerlane Pet Resort**, Caledonia; **Playmate Kennels & Stables**, Union Grove; **Paddington's Pals Pet Sitting**, Dale Creek Gundogs, **Emerald Greyhounds**, **7 Tails** and **Nite Wind's Kennels**, all in Burlington. Racine offers **Angelcare Pet Resort**; **The Woof-Dog Daycare & Boarding**; **Katie's Canine Klubhouse**; **Cozy Comfort Petz, LLC**; **The Pet Parlor, LLC**; and **Woofdorf-Astoria Dog Hotel & Day Spa**.

A healthy pup is a happy pup! There are many area veterinarians and pet hospitals here to help man's best friend stay that way for a long time. However, if you find your pet in need of emergency or after-hours care while you are visiting Racine County, **WVRC Racine/Kenosha - Emergency Veterinarian Services** is open 24 hours, seven days a week, to treat your pet.

Racine Foodies (@RacineFoodies on Instagram) is a delicious venture through Racine's food scene launched by Joycelyn Fish and Miranda Knudtson in 2018. Exploring new and old restaurants, munching on everything served up at casual diners to high end supper clubs, enjoying local fare and culturally diverse dishes along the way, you can follow along with them on Instagram or Facebook and share your own best bites with #RacineFoodies!

Simply Delicious Spots

There is something about a cozy café that helps you start the day off right or gives it a little boost during a lunch run. It is hard to resist the fresh soups, salads and sandwiches that the **Red Onion Café** and **Lee's Deli** serve up.

Need some extra fuel? There are plenty of spots to grab a coffee or even a protein-packed smoothie. **Mocha Lisa**, **Wilson's Coffee & Tea**, **Abrazo Coffee** and **Coffee House at Chestnut and Pine** have all of your caffeine, juice and smoothie needs (see page 29). Don't forget to check out **Refuel** for an acai bowl, too.

Listen to Your Sweet Tooth

We cannot write an article about Racine without mentioning kringle. With layer upon layer of flaky pastry, sweet filling and smooth icing, there is no wonder why this treat has become so iconic. The best way to get the full experience is to pick up at least one kringle from each of the famous bakeries.

Find out more on page 26.

If you're looking for a little "treat yourself" moment, a frozen treat from **Divino Gelato**, **Adrian's Frozen Custard** or **Uncle Harry's Frozen Custard** is sure to hit the spot. Or if cool treats give you the chills, **Nissi's Cake Room** and **Blue Bear Bakery** will certainly do the trick. If you need options, then **Kravings** may be the answer, with its variety of specialty drinks, coffee and ice cream.

What's Popping

What's life without a little surprise? Food pop-ups and always changing markets are becoming more and more popular around

town. If you're in the mood for farm fresh goodies, handmade pastries, and a Bloody Mary or two, a stop at **Milaeger's Great Lakes Farmers Market** is definitely in order (learn more on page 40).

A few local chefs have also made a name for themselves with one day or week-long features at local dives. Follow along with **Sap Sap** for unique Lao-inspired fare, **Dragon Pit BBQ** for smoky meats and **La Taquiza Guadalajara** for birria style Mexican food.

Around the World

Take a trip with your taste buds with plenty of international bites around town. **Asiana Korean Cuisine** features a mixture of Asian fusion, **Olde Madrid** delivers great Spanish tapas, **Kabab and Grill** transports you to the Middle East, **Krung Thai** and **Sticky Rice** satisfy your Thai food cravings, **El Gustazo** serves up Puerto Rican favorites, and **Javier's Cuisine** offers Mexican specialties of all kinds.

Foodie Favorites

While we try to keep visiting different spots around town, there are a few places that are always on our go-to list. Serving up unique farm-to-table dishes, **Maple Table** keeps things fresh all year round.

The moment we think of ribs, a stop at **Oh Dennis! Saloon & Charcoal House** is in order for a finger-licking half rack and garlic mashed potatoes. **Chit Chaat** serves up a huge variety of Pakistani street food including samosa chaat, tandoori chicken and garlic cheese naan bread. And you don't need a special occasion to visit **Butcher and Barrel**, but we love to celebrate with everything from their crafted cocktails to decadent desserts.

Unique drink experiences in Racine County

FRANKSVILLE CRAFT BEER GARDEN

Here in Wisconsin, there are few things we love more than getting together with friends and family over a cold beer. Fortunately, in Racine County, there are plenty of beer enjoyment opportunities to be found at seasonal beer gardens, craft breweries and special events.

The **Franksville Craft Beer Garden** is a community gathering spot at the Caledonia-Mount Pleasant Memorial Park, 9614 Northwestern Ave., Caledonia. Open on weekends from May into October, the beer garden offers 16 craft and specialty brews made in Wisconsin. You'll find yard games and lively conversation at the picnic tables under ample shade trees. This gathering place also offers events and activities throughout the summer such as food trucks, weekly live music, movie nights, yoga classes and more.

You'll find an eclectic vibe at **1 of Us Brewing**, named for the Todd Browning movie "Freaks." Founded by a group of 10 friends, this quirky craft brewery opened in 2021 in Mount Pleasant. With both an outdoor beer garden as well as an indoor taproom, 1 of Us Brewing focuses on sessionable ales that offer a bold character profile. From the assortment of mismatched furniture to the cartoonish monster wall art, to the feather bowling lane

(a mix of bocce ball, bowling and curling originating in Belgium), you're promised a memorable experience.

The **Eppeltreow Distillery and Winery**, 1072 288th St., Burlington, produces dozens of specialty ciders, wines and spirits from apples and other fruits from adjacent orchards. Samples of wines and ciders are complimentary with the tour. A cider or spirit flight is available for \$5.

The City of Racine also hosts one of the Midwest's largest beer festivals each September. The **Great Lakes Brew Fest** features unlimited sampling of more than 450 craft beers, ciders and hard sodas from nearly 100 brewers. The festival also features live music, local food vendors, a homebrew island and a new theme each year.

Two new breweries opened over the past year in the heart of Downtown Burlington. The **Runaway Nanopub and Microbrewery**, 109 E. Chestnut, Burlington, is the first brewery in over 65 years to be established in the city. This single-room micropub and nanobrewery serves handcrafted, small-batch beer and delivers Burlington foodie favorites like Fred's World-Famous Burgers right to your table.

Just around the corner from The Runaway is the **Low Daily Taproom**, located in the former Burlington Standard-Press building, 700 N. Pine St., Burlington. The space includes a large beer garden that looks out onto Echo Lake and an interior that welcomes you to a cozy but modern vibe.

Be on the lookout for temporary pop-up beer gardens at parks and public spaces elsewhere in the county during 2022. Watch the events calendar at our website (www.realaracine.com) for announcements.

It's buttery, flaky and thoroughly delicious. It's Kringle — Wisconsin's Official State Pastry.

This distinctive oval-shaped treat has been a Racine County tradition since Danish immigrants brought it to Wisconsin in the mid-19th century.

An authentic Danish Kringle is approximately 32 layers of flaky, buttery dough filled with a variety of fruits and nuts and baked until golden brown. Popular varieties include pecan, almond, raspberry, cherry, apple, strawberry and cream cheese. Racine bakers get creative with seasonal selections like turtle, cranberry, pumpkin, cinnamon and key lime.

Kringle making is a time- and labor-intensive process. Bakers repeatedly fold together butter and flour and then refrigerate the dough to produce a delicate, flaky texture.

The effort is well worth it! Kringle from Racine has gained an enthusiastic worldwide following. The pastry has been featured on the Food Network, the Travel Channel, the "Today Show" and other national TV outlets.

Kringle is available at local bakeries, grocery stores and other outlets throughout the area. Our bakers proudly ship their Kringle all over the world — particularly during the Christmas holiday season.

One slice is never enough of the Official Wisconsin Pastry from America's Kringle Capital!

CAMPING

CLIFFSIDE PARK

Memory Making and Family Fun

Each year, from mid-April to mid-October, scores of families make their way to Racine County's campgrounds at Cliffside and Sanders parks. Whether traveling from far away or from just down the road, they come to enjoy the campgrounds' wooded refuge and delight in Wisconsin's natural beauty.

With acres of outdoor activities from hiking and biking to softball and soccer, Racine County campgrounds make a great vacation or weekend getaway destination for both young and old alike.

Nestled on a cliff along the shores of beautiful Lake Michigan is Cliffside Park, one of two Racine County parks that offer camping. The 233-acre site located at 7320 Michna Road in Caledonia offers 91 campsites, each big enough to accommodate up to a 45' camper/trailer. In addition, each campsite has water, electric hookup (20/30/50) and a fire ring. The campground also features an on-site dump station.

Cliffside Park campground offers a number of amenities including comfort stations with sinks, toilets and walk-in showers along with two playgrounds and two shelter areas with picnic tables, grills and electric.

You'll never be bored while camping at Cliffside. With basketball courts, soccer

and baseball fields and nearby bike trails, there are plenty of opportunities for family fun.

A bit further south, near the Racine/Kenosha county line, you will find Sanders Park. Situated on 80 acres in the Village of Mount Pleasant, Sanders Park is located at 4809 Wood Road. This wooded campground features 23 smaller, more primitive campsites, although several sites offer electric and water hookups, and all sites include a fire ring. These sites are best suited for tent camping or small pop-up campers. An on-site comfort station provides toilets, sinks and showers for campers.

Sanders Park features a scenic nature trail through 20 wooded acres that have been designated a State Scientific area. A number of short hiking trails run throughout the park.

There is a picnic shelter with an open-hearth fireplace along with a large open area in the center of the park, which is perfect for all varieties of outdoor activities.

Camping reservations for either of these parks can be made online at www.racinecounty.com. To reserve the picnic shelter, please contact Racine County Public Works at 262-886-8440.

FARM CHARM

APPLE HOLLER

From farm festivals to fresh produce markets and stands, there's plenty to sink your teeth into along our country styled landscape.

Farmers Markets

Being in the heart of the Midwest, Racine County has an abundance of fresh, locally grown produce at hand. Visit the **Great Lakes Farmers Market** at **Milaeger's**, 4838 Douglas Ave., Caledonia, the **Union Grove Farmers Market** at Village Square Park, Main St. and 10th Ave., the **Burlington Farmers Market** at Wehmhoff Square on Washington and Pine Streets, and the **Farmers Market @ 2210**, 2210 Rapids Dr., Racine, to get the freshest produce and artisan products the area has to offer.

Apple Orchards

Fall in Wisconsin means it's time for apple picking and family fun. Racine is fortunate to have many award-winning orchards spread throughout our county where families can pick their own apples, pick up some fresh apple cider and/or find the perfect Halloween pumpkin and gourds.

Among our many orchards is **Apple Holler**, 5006 S. Sylvania Ave., in Sturtevant. The 78-acre orchard was even featured on US News. Apple Holler boasts a full farm-to-table restaurant, bakery and gift shop, and offers loads of family fun. From hayrides to sleigh rides and a variety of barnyard animals for the kids, there is always something for

everyone to enjoy year-round. They even offer a charming/rustic venue space available for weddings and events.

A bit further north, you'll find **The Orchard Store at Old Homestead** located at 7814 Raynor Ave., in Franksville. Along with apple picking, you'll also find a gift store offering a number of jams, jellies, maple syrup, pumpkins in the fall and unique gift items. The orchard also offers a picnic area and kids play area.

Heading a bit west, check out **Brightonwoods Orchards**, 1072 288th Ave., in Burlington, for fresh-picked apples, homemade apple cider, jams and jellies. A unique feature of this orchard is a separate on-site winery and distillery — **AEppeltreow Winery and Distillery**.

Pumpkin Picking

You'll find another seasonal pumpkin farm in Sturtevant at 11823 Durand Ave. The **Land of the Giants** pumpkin farm features thousands of pumpkins for picking, hayrides, train rides, a corn maze, play area and animals for kids to feed including pigs, goats and llamas. Inside the barn, you'll find Halloween and fall décor along with tasty snacks like popcorn and hot dogs, as well as drinks.

Whether heading out of or into the city, you most likely will drive by **Borzynski's Farm and Floral Market**, 115600 Washington Ave., in Racine. This year-round market features

APPLE HOLLER

a wide variety of fresh fruits and vegetables, flowers, décor and gifts, and a great little deli and bakery. Their specialty foods include Made in Wisconsin items, honey, cheeses, dips and spreads along with a variety of jams, jellies and sauces.

Heading north on Highway H to Franksville, you will find **Swan's Pumpkin Farm**, 5930 Highway H. Select your perfect pumpkin from acres of pumpkins of all sizes. This seasonal pumpkin farm/market offers caramel apples, fresh kettle corn and apple cider donuts among numerous other fall favorites. Swan's Pumpkin farm features hayrides and a petting zoo for the young and young at heart.
